➤ Message From The Director

Prof. Vinita Singh Sahay

Director, IIM Bodh Gaya

Indian Institute of Management (IIM) Bodh Gaya was established by the Ministry of Education Government of India in the year 2015 in the Land of Enlightenment: Bodh Gaya. We have a distinction of being one of the fastest growing campus with five full time long duration residential degree awarding programmes which includes our flagship MBA program, along with two specialised MBA programmes i.e MBA: Healthcare and Hospital Management and MBA : Digital Business Management. For students after K12 we offer an Integrated programme in Management which is a five year BBA+MBA which attracts talented students from across the globe. With the inclusion of the Communication area, the number of Specialisations in our coveted Phd programme has risen to seven-where we are preparing teachers & researchers for the country.

At IIM Bodh Gaya our vision is to create Socially responsible Mindful Leaders. The proud Nandi statue at our entrance symbolizes Attention, Awareness, Patience, Perseverance, and Listening, the core values needed in a mindful manager. Various ways in which we engage with the society and community helps us create the desired Social Impact. In 2023-24, the inauguration of our state-of-the-art permanent campus marked a significant milestone in our vision for the future of management education. The campus features modern academic blocks, dedicated facilities for management development programs (MDPs), an auditorium, a sports complex, hostels, and dynamic residential areas, fostering a holistic learning environment. Our approach reimagines education to be flexible and inclusive, that cater to individual needs and aspirations.

We celebrate the presence of over 64+ distinguished faculty members from esteemed institutions like IIMs and IITs, highlighting our commitment to exceptional education. Our large and committed non-faculty team underscores our belief in the strength of teamwork for growth and success. In the 2023-24 academic year, our Executive Education and Consultancy department has executed over a hundred Management Development Programmes, training government officials and corporate executives alongside over 5000 micro-entrepreneurs from underprivileged backgrounds. Our programs empower individuals and organizations to create positive societal change. We also launched online certificate programs in Artificial Intelligence and Machine Learning, Corporate Law, Business Management, Financial Management and Analytics, and Digital Business Marketing, extending our reach in digital learning.

Looking ahead, IIM Bodh Gaya is committed to cultivating mindful, ethical, and innovative leaders of tomorrow. Our journey is fuelled by excellence, diversity, and a profound belief in the transformative power of education.

We invite you to join us in this inspiring and remarkable mission to make our country a developed and progressive Nation.

➤ Chairperson's EMBA Message

Professor Manoj Jaiswal

Chairperson - Executive MBA, IIM Bodh Gaya

Dear EMBA Aspirants,

India is on the cusp of a new era, poised to become a global economic powerhouse. With a GDP of USD 3.7 trillion and projections of sustained growth rates between 6.5–7% for the coming years, our nation is on the path to realizing the vision of Viksit Bharat. This behemoth of a goal requires a new generation of excellent professionals— leaders with vision, resilience, and strategic acumen to propel India into becoming a \$10 trillion economy. It is in this context that IIM Bodh Gaya is proud to launch the Executive MBA programme, designed for corporate executives, government professionals, and social sector leaders to take on that mantle of responsibility.

At IIM Bodh Gaya, we take pride in being an institution committed to transformation aleducation. In the last academic year alone, our Executive Education and Consultancy department successfully trained thousands of corporate professionals, government officials, and micro-entrepreneurs, thereby underlining our commitment to growing both personal and organizational capabilities. With more than 64+ distinguished faculty members from the IIMs and IITs and a state-of-the-art campus replete with the most advanced facilities, we provide an environment that nourishes excellence, inclusivity, and innovation. Our EMBA program is designed considering the goals by imbining academic rigor along with applied relevance to support your leadership journey in today's fast-moving business environment.

We understand your aspirations for career growth while making a meaningful impact. The EMBA at IIM Bodh Gaya offers the right amalgam of global perspectives, experiential learning, and opportunities for peer group networking. Here, you will find a partner in unlocking your potential, informing choices, and being a change catalyst not only within your organization but for the world outside as well. Join this transformative program, which I warmly and confidently invite you to do, in making a decisive step toward realizing your professional and personal ambitions. Let us walk with initiative hand in hand together towards shaping a better future.

IIM BODH GAYA

The Indian Institutes of Management (IIMs) have been the archetype of management schooling in India since their foundation after our independence in 1947. IIMs are perceived as the most prestigious and elite B-schools in India which lay emphasis on practical experience and critical thinking instead of rote learning and conventional academic schedule. Building on the grand heritage of the IIM brand, IIM Bodh Gaya fosters a culture and curriculum whose sole purpose is to create socially responsible managers and emotionally mature and mindful leaders for the nation. A dynamic curriculum in consonance with academics and industry experts provides the students with the opportunities to master new skills and explore diverse perspectives.
