# MESSAGE FROM THE DIRECTOR

**DR. T. N. SINGH,**

**DIRECTOR, IIT PATNA**

Dear Students,

Welcome to IIT Patna's Online Executive Programs, where we are dedicated to empowering professionals like you with the skills and expertise required to excel in today's fast-evolving, digital-first world. As part of this transformative online learning experience, you are joining a community of forward-thinking leaders who are shaping not just their careers, but the future of industries and the economy.

In this era of rapid technological advancement, the need for continuous learning is more critical than ever. At IIT Patna, we are committed to providing an education that goes beyond just enhancing your skills—it is about nurturing innovators, job creators, and entrepreneurs. By choosing to upskill with us, you are taking a vital step toward not only elevating your professional journey but also contributing to the creation of a more skilled, entrepreneurial, and future-ready India.

Through our online programs, you will gain access to cutting-edge knowledge, industry-relevant insights, and the support of a distinguished faculty—all designed to help you thrive in your career while giving you the tools to potentially start your own ventures. Whether your goal is to lead within your organization or become a job creator in your field, we are here to help you realize that vision. Your growth and success are integral to our collective mission of fostering innovation and business excellence. Together, we can unlock new opportunities, solve complex challenges, and build a brighter future for both the individual and society at large.

We are proud to have you as part of this vibrant learning ecosystem and look forward to seeing the impact you will make as future leaders and entrepreneurs.

With best wishes for your success.

## KEY PERSONNEL

**PROF. A. K. THAKUR**

**DEAN – ACADEMICS & ADMINISTRATION**

Prof. A. K. Thakur is currently the Professor of Physics at the Department of Physics at Indian Institute of Technology, Patna, and Dean Academics, IIT Patna. He is a Gold Medalist in M.Sc. (Physics) and a recipient of the coveted "Nehru Fellowship" for pursuing Doctoral Research at the National University of Singapore (QS Rank 8). Currently, he is the Vice President of the Asian Society for Solid State Ionics.

The research expertise of Prof. Thakur is in experimental condensed matter physics and applied physics, with specific experimental research interests comprising: a) renewable clean and green energy, b) solid-state ionic devices, c) storage cells, d) solar photovoltaics, e) dielectrics and ferroelectrics, f) processing and fabrication of nanomaterials, g) E.M.I. shielding, h) Battery Management System (BMS) design and fabrication for operational safety of battery packs for EV applications, and i) product design simulation and development for commercialization.

**DR. N. K. TOMAR**

**ASSOCIATE DEAN RESOURCE**

Nutan Kumar Tomar received his B.Sc. degree from Chaudhary Charan Singh University, Meerut, in 2001, and his M.Sc. degree in Applied Mathematics from Indian Institute of Technology Roorkee (IIT Roorkee) in 2003. After completing his Ph.D. at IIT Roorkee, he became a DAAD research fellow at the University of Bayreuth, Germany, in 2008. He joined the Department of Mathematics at Indian Institute of Technology Patna as a faculty member in December 2008 and is currently an Associate Professor.

His research activities are supported by the Science and Engineering Research Board, Department of Science and Technology, and Defence Research and Development Organization, India. His main research interests include estimation, observer design, and controllability and observability properties of control systems. He is a member of the Institute of Electrical and Electronics Engineers (IEEE), Indian Mathematical Society (IMS), and Indian Society of Industrial and Applied Mathematics (ISIAM).

## PROGRAM OVERVIEW

MBA in Finance from IIT Patna is a tailored executive degree program for working professionals who are in the early stages of their career. Through the course, you will learn to analyse company reports, forecast business trends, maximise stock values and profitability, minimise financial risks and manage capital investment. This executive degree program from IIT Patna will provide new-age managers with the perfect tools and skills to progress in their careers and develop domain expertise that will be useful in the new age workplaces.

## WHO CAN APPLY? - COURSE ELIGIBILITY

- The program is designed for working professionals or minimum 2 years of work experience.
- An aspiring student should have an undergraduate degree in any discipline.
- The candidate must hold a bachelor's degree, with at least 50% marks or equivalent CGPA (in case of the candidate belonging to scheduled caste (SC)/ Scheduled Tribe (ST)/ Persons with Disability (PwD) category, this is relaxed to 45%).
- Marks will be relaxed by 2.5% or 0.5 CGPA or CPI against each additional year of experience.

## WHO IS THIS PROGRAM FOR?

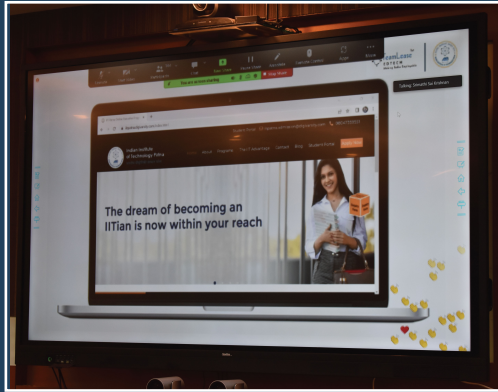

- Industry freshers who have been working for a year and mid-level professionals aspiring to learn while earning, upskilling their career, and looking for a career progression in these streams.
- Professionals working in the following roles can apply for this program:

|                     |  |
|---------------------|--|
| Financial Analysts  | Junior Tax Accountants                     |
| Accounts Executives | Finance Executives                         |
| Finance Associates  | Junior Executives - Finance and Accounting |

## LAUNCHPAD COURSE

- **Transformative Experience:** The Launchpad Course for IIT Patna has greatly impacted students by bridging the gap between prior education and IIT's academic demands.
  - **Targeted Learning Modules:** The course offers focused learning modules that enhance students' understanding.
  - **Personalized Mentorship:** Students receive personalized guidance to boost their confidence and learning.
  - **Hands-on Projects:** Practical projects are included to strengthen foundational knowledge
  - **Improved Academic Performance:** The course prepares students for IIT challenges, leading to better academic results.
  - **Smoother Transition:** Students experience an easier transition into the IIT curriculum and positively express feedback on the course.
-

A man with dark hair, wearing a dark pinstripe suit jacket over a white shirt, is looking down at a laptop screen. He has a slight smile. The background is a blurred indoor setting with light-colored walls and a green horizontal band.

## **PAYMENT DETAILS FOR STUDENTS**

Application fee is non-refundable.

All students are requested to strictly adhere to the payment schedule deadlines mentioned in the above table.

Some sessions with faculty and/or industry experts could be rescheduled at a different time, in case of exceptional circumstances.

IIT Patna does not charge any processing fee or service charge from the students for online payment. However, online payment gateway charges, over and above program fees need to be borne by the students, as applicable.

In case of any refund related queries, kindly refer to our refund policies.

## Code of Conduct for Online sessions

- Be punctual for the live session on time and stay for the entire duration if possible.
- Treat all participants respectfully and courteously.
- Avoid any form of harassment, discrimination, or offensive language.
- Be mindful of the confidentiality of the content shared during the session.
- Ensure that you have good internet connectivity.
- Cameras should be kept on during the sessions and mute your microphone when not speaking to avoid background noise.
- Refrain from engaging in side conversations during the session.
- Adhere to all timelines shared in the Academic Calendar, with regard to assessments and sessions and Exams.
- Data Privacy: Students will be allowed to only view the content that is uploaded for all online sessions.
- No student should engage in any activity that could negatively impact the image of the institute. All students should refrain from publishing any social media posts that could harm the Institute's reputation. If found guilty of such actions, the Institute reserves the right to take appropriate action.

# Annexure 1

This policy aims to safeguard the interests of both the institution and the students, ensuring a fair approach to cancellations and withdrawals.

## Key Components of the Refund Policy:

### 1) Percentage of Refundable Fees

80% refund of the paid Course fee is applicable if requested on or before 10 days of the batch commencement date.

No refund is applicable post the first day of instruction as per the academic calendar.

### 2) Exclusions from Refund:

Application fees, registration fees, and any non-refundable charges will not be eligible for refund.

### 3) Procedure for Refund Requests:

Students must submit a formal written request for cancellation or withdrawal to the admissions office. The request should include pertinent details such as student ID, program details, and reasons for withdrawal.

### 4) Refund Processing Timeframe:

The institution commits to processing refunds within 30-45 working days from the date of receiving a formal request.

### 5) Documentation Requirements:

Students may be required to provide supporting documentation, such as medical certificates or other valid reasons, in cases of withdrawal due to unforeseen circumstances.

### 6) Special Considerations:

The institution may consider exceptions for extenuating circumstances on a case-by-case basis.
